

Jenni's class Newsletter—Autumn 2023

Our First Week!

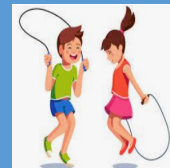

We have had a wonderful start to this term and have been getting to know the staff and making friends.

Meet Taylor and Anton, our fantastic TA's.

PE

PE will be on Wednesdays—this half term we are focusing on skipping and skills needed to complete skipping challenges.

Our Curriculum this term:

This term we will be learning lots of different and interesting topics.

In History we will be learning all about The Great Fire of London.

In Art we will be looking local Artist—Lucy Pittaway.

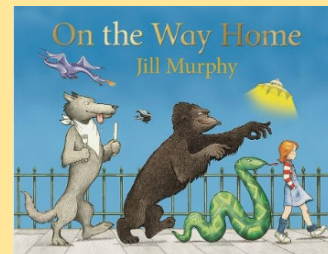

In science we will be looking into Fossils, how they are made and what a fossil is. They will even be making their own fossils using clay and shells.

We have enjoyed getting back into school, participating in routines and experiencing our favourite rooms together as a class. We love our Library time.

Our story this half term is: On the way home.

Home/school communication books

All children have been given new home/school books to take home so you can communicate any needs your child may have during the school day. Thank you for including the home /school book in your child's book bag every day.
