

Clare's Class Newsletter

Summer 2024

Teacher: Clare

Class team: Denise, Nuzhet and Isabel

Welcome to Summer term and a hello from me, the new class teacher, Clare. I have thoroughly enjoyed getting to know your children before the Easter break and look forward to teaching them and getting to know them more over the Summer term.

Housekeeping

As we are heading into Summer and hopefully the nice weather returns, please remember sunscreen and sunhats, It would be very helpful if children's clothing is labelled.

We do have a healthy eating policy and we are a nut-free site. Please make sure that any food that children bring in is healthy and nut-free.

Thank you!

Trips:

We are hoping to have a couple of trips out over the term. In Summer 1 we hope to visit Roseberry Topping to link with our Geography, Science and Art topics. In Summer 2 we hope to visit MIMA, to look at a display on textiles, which is our DT topic.

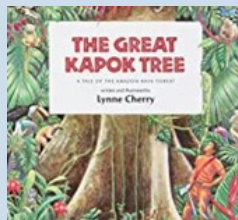

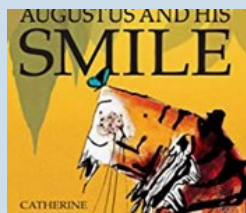

Our texts this term are:

Augustus and his Smile by

Catherine Rayner

The Great Kapok Tree by Lynne

Cherry

Curriculum

This term we will be exploring many different topics.

In Science, we will be finding out all about plants, learning to identify their parts and how water is transported through them.

In Geography, we are looking at describing and understanding mountains, earthquakes and volcanoes.

In RE, we will be looking at values including religious or not, school values and British values and how they affect our lives.

In Art, we will be working with tie dye (which will link with our work in textiles in DT) and photography (which we will link with Science and Geography).
