

Jenni's class Newsletter—Summer 2024

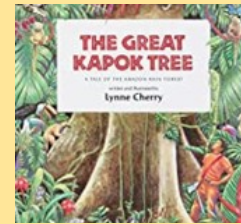

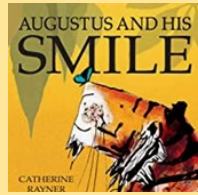

Summer Term 2024

Class team—Jenni, Taylor, Louise and Kim.

Our stories this half term are: Augustus and his smile and The Great Kapok tree.

A polite reminder —

As we are heading into Summer and hopefully the nice weather returns, please remember sunscreen and sunhats, caps. It would be very helpful if children's clothing is labelled.

Thank you!

Our Curriculum this term:

This term we will be looking at lots of different and interesting topics.

In Science we will be learning about plants, what they need to grow, and even planting some of our own.

In Geography we will be exploring Volcanoes, Mountains and Earthquakes.

In History we will be learning all about the Royal Family, who they are, what they do and who our Monarch is.

Our Trips:

Last half term we had a lovely trip to Butterfly world, where some of our children enjoyed holding a Butterfly and others really enjoyed looking at the different animals.

We continue to look forward to making lots more memories and learning new things this term.
