

Safah's class Newsletter Autumn 2024

Teacher: Safah

Learning Support: Isabel and Bethany

Care Assistants: Kayleigh

Welcome back everyone!

We have a lovely class who have settled back into school life beautifully. They have thoroughly enjoyed learning the class routine and exploring their new environments

If you have any questions or concerns regarding your child, please do not hesitate to speak to us.

We are here to help.

Spare clothes

Can you please put spare clothes in pupils bags as school does not always have the correct size.

This half term we will be working with the children to:

- Learn our routines
- Communicate using symbols/ words
- Exploring new areas
- Develop our sensory tolerances
- Who is in my school and class

Science

This term we will be a range of materials and exploring and observing changes, for example how some materials bend, stretch and squeezed.

The children will go on a walk around school and collect different materials of interest and learn to label them as woods, metals, plastics. We will also explore texture and be able to describe materials as bumpy, smooth or rough.

DT

We will be building and assembling reclaimed materials to make a home for an animal to hibernate. This will link in with our literacy story The 3 little pigs .

P.E

In P.E we learning different movement skills such as throwing at an aim, catching, kicking, hopping and balancing. The children will also explore moving to music.

History

In science we will be focusing on Me and My History (baby to now), extended family. We will be asking for you to share baby photo's of your children, we will then take a closer look at them as a class.
