What Is a Christingle?

A Christingle is used in Christian churches during Advent.

Advent starts four Sundays before Christmas.

A Christingle is made from different objects. Each of the objects has a special meaning.

   
The candle represents Jesus being the light

of the world.

  
The orange represents the world.

    
The red ribbon represents God's love

for the world.

    
The sweets/dried fruit represent God's
   
creations in the four seasons

Christingle Services

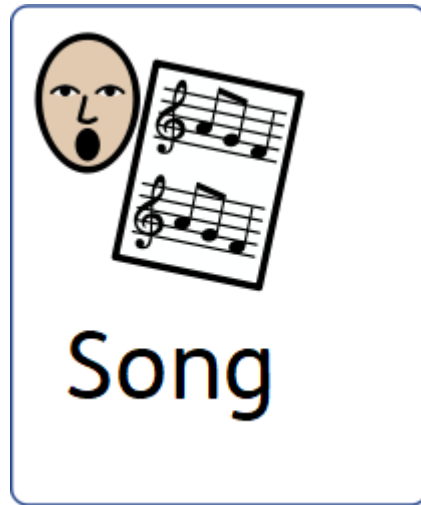

Christingles are often used during Advent in Christingle services.

Prayers for people in need are said and songs are sung. During the service, the candles on the Christingles are lit and all the lights are turned off.

Christians think about the hope that the light of Jesus brings to the world.

Click the switch to turn off the lights!
